Dear Victoria,

Pre-application for recognition of cheerleading and SportCheer Scotland

I am writing regarding the pre-application for recognition of cheerleading as a sport and SportCheer Scotland as its national governing body in Scotland which you submitted on 20 November 2021.

Following consideration by the UK Officer Recognition Panel, which comprises officers from each Home Country Sports Council (Sport England, **sportscotland**, Sport Wales and Sport Northern Ireland), I am pleased to let you know that your pre-application has been successful and that you can now proceed to the full application stage. Please note that the following condition has been attached to this invitation to proceed:

- At the time of a full application submission, SportCheer Scotland will be compliant with UK Anti-Doping (UKAD) requirements to **sportscotland** and UKAD satisfaction

The next stage of the recognition process is for you to meet with **sportscotland** before submitting your full application. At this meeting, we will discuss the above condition and advise you of the type and extent of the information we will expect you to include in your full application. It will, of course, also provide you with an opportunity to ask any questions you may have about the full application stage.

I would be grateful if you could send across a selection of dates and times when you and your colleagues are available to meet. We can then confirm a time for our meeting.

I must point out that achieving a pre-application pass does not guarantee that the full application stage will be passed. You may wish to take this into consideration when deciding to publicise this decision or not.

I look forward to meeting with you. In the meantime, if you have any questions about this letter, please feel free to email me at recognition@sportscotland.org.uk.

Yours sincerely,

Alison Craig
